MEEEEOWWW

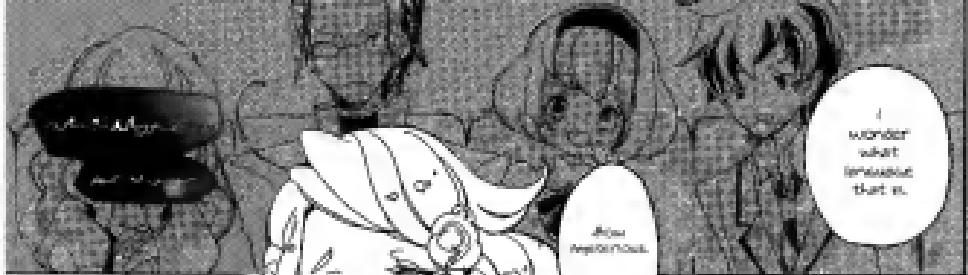

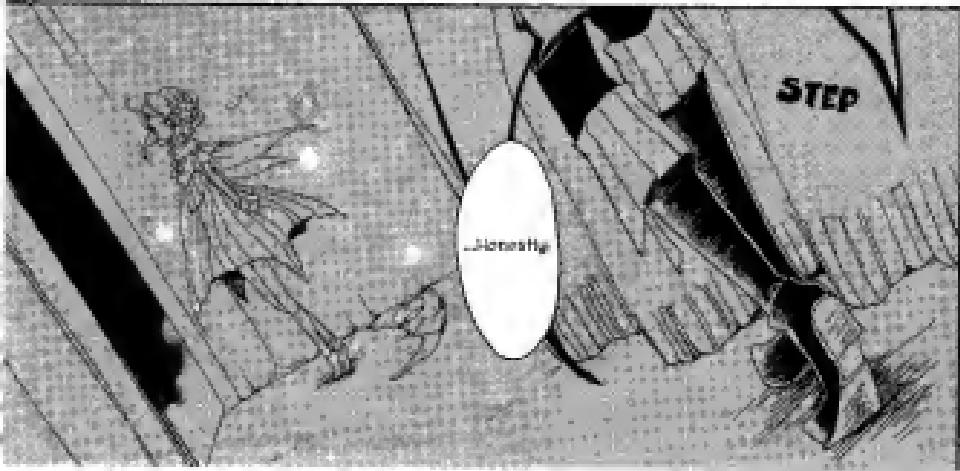

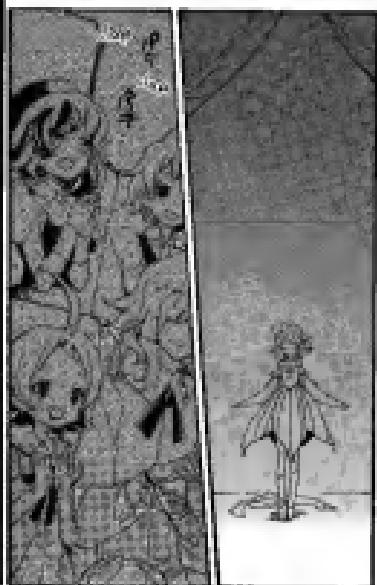

I have but
one request

Deliver this
~~summons~~ to him else I
shall not ever rest

If the wind there
should be enough

I'm still the last
to come this great

I'm still the last
to come this great

I
thought
you'd
come to
listen.

Well...

What
are you doing
singing here of
all places?

For all
the times
I asked
you to
sing,

You
never
sang so
much as
a single
word for
me.

Captured
by you.

I'm
afraid my
heart has
long since
been...

Then
promise
me...

That
you'll never
leave me
again.

I guess all that's changed is that Sir sings a lot now.

That said, it's not really all so different from before.

After that... Master and Miss fairy.

THE TOWER FEELS WAY MORE CHEERFUL!

THANKS TO YOUR SINGING.

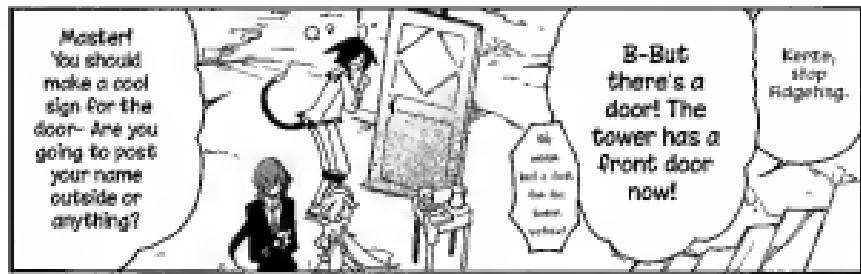

...Sir to Saberrow says (Could be be right?)

Come to think of it.

the mist outside seems to have cleared up a little.

YUZZLE

Er, rather, Master and Miss started to live together.
